

GRANT WRITING TIPS

[Grant Application – Bullard Education Foundation](#)

Email: grants@bullardef.com

WHO CAN APPLY?

Applicants can be individuals or teams of individuals employed by Bullard ISD, who are involved in the instruction of students, demonstrate a direct impact on students or related support services benefiting students.

Grants ARE NOT restricted to teachers only!

You can apply as an individual and be part of one or more group grants.

Individuals and groups can apply for one or more grants.

Individual Grants are limited to \$1,500 for individuals and \$3,000 for groups.

WHAT KIND OF GRANTS ARE TYPICALLY FUNDED?

Our hope is to support, encourage, promote, inspire and recognize BISD teachers and staff by funding exciting and creative instructional grants to accomplish program objectives. We aim to bring exciting, creative, innovative ideas to life!

To be considered eligible, proposed grants must be capable of implementation during the upcoming school year.

We will fund instructional and classroom materials, student experiences, and any activity or material that supports student instruction and development.

TYPES OF PROGRAMS THAT HAVE RECEIVED FUNDING?

Innovative Classroom Resources: Funding unique educational tools and technology to enhance learning experiences.

Extracurricular Enrichment: Support for programs that extend learning beyond the classroom, such as field trips and special activities.

Student Well-being and Support: Initiatives focused on mental health, sensory needs, and creating supportive environments for all students.

STEM and Creative Arts: Investment in technology, culinary, engineering, floral, math, science, and arts programs to foster creativity and critical thinking.

GET CREATIVE! We are always looking to fund new and unique ideas that provide exceptional opportunities to BISD students. Check out our Facebook page to see past grants in action we have shared from campus posts.
